

What's new on the SASRI website?

SOUTH AFRICAN SUGARCANE
RESEARCH INSTITUTE

Certificate Course Applications

'Secure your spot now!'

You can now apply for our Senior or Junior Certificate Courses on the SASRI website. Applications can be completed on the "Certificate Courses in Sugarcane Agriculture" page of the website. Course outlines, requirements and dates are also available on this page.

Get the latest news

*'Keeping you in touch
with the latest
information.'*

Want to get the latest information on new agricultural technologies or find out more on research projects and recommendations from SASRI? Subscribe on our "Recent News" page to be alerted of all our latest publications, news and alerts.

InfoPack goes Digital!

The InfoPack disc has been replaced with a user-friendly, interactive online platform called the "Knowledge Hub". Visit the Knowledge Hub on the website to access all publications, videos, reports and other content. By subscribing on the "Recent News" page, you can keep informed of the latest the Knowledge Hub has to offer!
