## JUNIOR CERTIFICATE COURSE IN SUGARCANE AGRICULTURE MARCH 2023 COURSE DETAILS AND APPLICATION FORM 02 – 20 October 2023

This three week course in sugarcane agriculture is held at the Kwa-Shukela building of the South African Sugar Association (SASA) offices in Mount Edgecombe. The course is held once or twice each year, usually in April and October, numbers permitting.

### **Entry Requirements**

The general entry requirement is Std 10 (Grade 12), preferably from an agricultural school **with at least two years on-farm experience**.

A student who has a Std 8 (Grade 10) and relevant agricultural experience will be considered, depending on the outcome of an assessment and interview process.

**The course and assessments are conducted in English and therefore requires that applicants be able to read, write and understand English.**

### **Costs for 2023**

|  |                |   |                    |
|--|----------------|---|--------------------|
| South African sugar industry applicants: | R 10 110 + Vat | = | <b>R 11 626.50</b> |
| South African non-industry applicants:   | R 11 120 + Vat | = | <b>R 12 788</b>    |
| Applicants from outside South Africa:    | R 14 067       | = | <b>R 14 067</b>    |

This cost includes stationery (pen, pencil, ruler, eraser and calculator), course notes, SASRI Information Sheets, manuals, teas and excursion costs. Applicants should bring their own notebooks or writing pads. **This cost includes TUITION only – no meals are included.**

### **Application Information**

Applications must be made on the official course application form (see page 4).

The closing date for applications is **07 July 2023**. **NB: Since we experience very high application numbers, places on the course may be depleted before this closure date.**

All applications and accompanying documents must be sent to:

*The Course Administrator, South African Sugarcane Research Institute, Private Bag X02, Mount Edgecombe, 4300, South Africa.*

*E-mail: [educane@sugar.org.za](mailto:educane@sugar.org.za)*

*Fax: +27 (0) 31 508 7597*

*Tel: +27 (0) 31 508 7400.*

Successful applicants will be notified of their acceptance in **August 2023** and will be sent an acceptance letter and a pro-forma invoice.

Upon receipt of these documents, full payment of course fees must be made in advance of the course. Students who have not paid in advance will not be admitted to the course.

**No payments should be made until receipt of an acceptance letter and pro-forma invoice.**

- Soil water management
  - Fertiliser, lime, gypsum and organic products
  - Organic matter
  - Plant nutrition and soil chemistry
  - Soil & leaf sampling

  - Record keeping
  - Balance sheet and income statement
  - Worker involvement and management

In addition to the lectures listed above, there are several 'special interest' lectures on topics of relevance to agriculture in general. Attendance at all lectures is compulsory.

### **Course Assessment**

Tests are written after completion of each subject. The duration of tests are approximately one to two hours. Certificates are awarded in three classes namely:

- |            |               |
|------------|---------------|
| 1. Honours | 80% and above |
| 2. Merit   | 65 – 79 %     |
| 3. Pass    | 45 – 64%      |

Students who fail more than three subjects or achieve an aggregate below 45% will fail the course.
